Jonathan:

I'm working with Jordan on this matter. What we need to know is what state Ron Beasley and James Ely are citizens of. As the Court points out in the attached order, a natural person is a citizen of whatever state they are domiciled in. So, for a living person, we just need to know the state they live in at the present time. For a deceased person, we just need to know the state they were living in at the time they died.

With respect to Xpedite Logistics, because it is a LLC, we have to list the members of that LLC and the state each one of them lives in. So, we will need both their names and the states of their citizenship.

Please let me or Jordan know if you have any questions. Thanks.

Jordan,

Ron Beasley (Driver) is a US citizen. Mike Benninghoven (deceased driver) was a US citizen. Xpedite Logistics is a domestic company based in Sapulpa, Oklahoma. Do you need an affidavit? Thanks, JEC

I've requested the information you are seeking from Steve Alcorn, the general manager of Xpedite Logistics, LLC. I've requested that he identify the officers of the partnership and their state of residence. I'll pass along this information as soon as I receive it. Thanks, JEC

Jonathan:

Just to make sure that we're on the same page, the Court has indicated that because Xpedite is an LLC we need to provide the states of residences for each member of that LLC. Just want to make sure that when you say "officers of the partnership" you are getting the residences for each of the members of that LLC. Thanks.

Yes, I understood it to mean members of the LLC; I'm waiting to hear back from the GM for Xpedite; he is usually very responsive and I've let him know the information is needed quickly. Thanks, JEC
